

Shenandoah West

NEIGHBORHOOD ASSOCIATION

SWNA *Summer of Beauty Project*

In the very near future, yard signs, like the example to the left will be popping up in the neighborhood. The Shenandoah West Board would like to acknowledge homeowners in our neighborhood that have homes and yards with great curb appeal and show real pride of ownership. Every few weeks, while the weather permits, the board will be moving the signs around the neighborhood to different homes. Keep an eye out for them.

Winners will receive a gift card to Lowes!.

*Please email the board at: swnaboise@gmail.com if you have a favorite home in the neighborhood that you would like us to acknowledge. We've driven the neighborhood but we don't want to miss anyone.

Summer of 2018: Home & Landscaping Contest

Our 2017 Summer of Beauty Project is leading up to our 2018 Home and Landscaping contest. We've received a lot of change requests the last few years and there's been a lot of really great home and landscaping projects completed. We'd like to keep the momentum going and add a little friendly competition into next spring and summers home and yard projects.

Winners will be announced July 2018.

Details, rules, and prizes will be announced in upcoming newsletters.
